

A number of Year 8 students have been working with the CUSHA project over the past few years. This is an ongoing, integrated Shakespeare project involving students visiting Stratford-upon-Avon in England as well as Karlsruhe, Germany. These students have seen live theatre, taken part in seminars and attended lectures. In addition, they have produced their own teaching and learning resources for publication.

Whilst our German visitors were with us at ESG, the students presented a number of workshops across the Junior School. This also coincided with Shakespeare Week in the Junior School and the seniors were amazed at the range of knowledge relating to William Shakespeare, in the classes they visited.

Keen to develop this connection between the seniors and the juniors, we have embarked on this collaborative project in which the Year 6, 7 and 8 seniors have directed the juniors in abridged versions of two well-known Shakespeare plays, *The Tempest* and *A Midsummer Night's Dream*. We have worked at a high pace during our eleven sessions to produce ensemble, studio-style performances for an invited audience.

We hope that you enjoy the plays as much as we have enjoyed working on the project.

Mrs. Katie Larsson   Ms. Helen Goddard

# ESG

otherwise known as the

## English Shakespeare Group

Proudly presents

### William Shakespeare's

### THE TEMPEST

and

### A MIDSUMMER NIGHT'S DREAM

Thursday the 2nd of May, 2019
